We haven't been here for a while and I forgot how good it could be. Wonderful salsa the guac was very good. Who could complain about warm tortilla chips? Steak tacos were really good as were the beans and rice. If you like spicy try the appetizer Fundo. Chorizo and tons of cheese! I was told the bean burrito was filling . Hope it doesn't take us as long to revisit. [read more](#). The restaurant offers free WiFi for its guests. What [Genny Powell](#)

doesn't like about El Cajete:

The first time going to El Cajete was a little disappointing. I had heard such great reviews. The food was ok, but I didn't care for the plastic silverware. Our server brought me the wrong food and then questioned me on my order. My friend ordered the Nacho Supreme for their meal and ran out of chips before the toppings. Our server didn't check on us, but once. I'm not sure I'll return. [read more](#). Look forward to the **diverse, scrumptious Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers).
