I grilled a simple grilled cheese sandwich and this is my place. it's just a simple grilled cheese. no need, 5-7 different cheese just so others can charge them \$12 for a sandwich. also the staff was wonderful and had a good time to work. I'll be back. [read more](#). What [User](#) doesn't like about Waffle House:

10/03/22 was my first time ever eating in a waffle house and I don't think I'll ever go to another. the staff was friendly, the restaurant was evil. the tables were not wiped around in old, mulled and flies. my friend pulled a hair out of his sprit. the girl that cooked the food, washed her hands that were nice to see. this situation was very inconvenient. I'm glad I didn't get sick. if they've done so far, are all the waffel houses so?. Waffle House from Parker is a good option for a bar if you want to have a drink after work and sit with friends or alone, Moreover, the drinks menu of this gastropub offers a good and especially large assortment of beers from the region and the world that are definitely worth a try. When you're not so ravenous, you can just treat yourself to one of the fine **sandwiches**, a healthy salad or another snack, Likewise, the guests of the restaurant prefer the comprehensive selection of differing *coffee and tea specialities* that the establishment provides.
