The restaurant from Alexandria offers *18* different **dishes and drinks on [the card](#)** at an average price of \$3.5.

What [Craig Merrill](#) likes about Port City Brewing Company:

First, their porter is very good no small thing since IPAs started distorting the beer universe . Second, terrific prices \$7 for 16 oz. pour . Third, dog friendly. Fourth, great ambiance. Fifth, free parking in Alexandria say what?!

. [read more](#). What [Thomas R](#) doesn't like about Port City Brewing Company:

Awesome beers! Beergarden isn't fancy. No food except food trucks. Worst was staff, who responded to a valid complaint (got Wit instead of Helles) with: ohh, that's Helles just with a yeast float or the temperature... nothing offered, NO GO!! [read more](#). Anticipate the **varied, scrumptious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers), You shouldn't miss the opportunity to try the flavorful [pizza](#), baked fresh in an traditional manner.
