Here you will find the [menu](#) of **Arby's** in Glendale. At the moment, there are **14** meals and drinks on the menu. A recent visit to a local fast-food restaurant revealed a range of experiences, from subpar meals to delightful culinary triumphs. Some patrons were disappointed by burnt burgers and missing advertised items, leading to frustration over customer service. However, many diners praised the cozy ambiance, friendly staff, and excellent food quality. Standout items included the brisket sandwich and traditional gyro, which garnered high ratings. The restaurant's cleanliness and efficient service further enhanced the dining experience, making it a worthwhile destination for families. Overall, while some meals missed the mark, the majority of visitors left satisfied and eager to return.
