The Card of Island Spice Jamaican from San Diego contains about **17** different dishes and drinks. On average, you pay for a dish / drink about \$5.2. What **User** likes about Island Spice Jamaican: I had the oxen with peas and rice and vegetables. The parts were huge! Everything was fresh and delicious. The oxen were moist and fell from the bone. They were fleshy and substantive, unlike other places where they give you the smallest pieces. The service is missing, but I feel like home. This is my favorite place for authentic Jamaican food.
