Delicious food and amazing variety of everything you would expect in a great NYC deli. Take out or eat in! I've been here many times and this was my first Hamburger. It was cooked to order, fresh bun, fresh lettuce, tomatoes and onion on it. I could not eat it fast enough. A block from the Strawberry Fields section of Central Park so you can't go wrong! Great location! Nice people. [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in beautiful weather. They have a B rating and the rating card is off to the side and not directly visible before entering. most likely they have a B rating for cleanliness. My breakfast sandwich was good but they have a lot of open food imagine of roaches crawling on that stuff before you eat it. [read more](#).
