Got a togo order of the beef teriyaki, chicken teriyaki, and chirashi, and 2 rolls. The food was really good, but they use too much rice compared to the fish. The chirashi bowl was not worth it. The cut pieces of fish was very tiny and the togo container was 2/3 filled with rice. This place is the better [sushi](#) joint in the area. [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather, And into the accessible rooms also come guests with wheelchairs or physiological disabilities. What [Ally D](#) doesn't like about Yamato Japanese:

Please do not waste your money on this place! My to-go order was missing an item, the gyoza was also freezing cold, and our sushi rolls did not have the avocado as they were supposed to! The staff is also VERY mean! I was told not to expect perfection from them when I am ordering take out. Everyone should order from [Sushi 805](#) or Yanagi [Sushi](#) instead! [read more](#). The *catering service* is also provided by the establishment for its customers, and [healthy Japanese menus](#) are being made with lots of fresh vegetables, fish and meat. You have the option to, after the meal (or during it), also relax at the bar with an **alcoholic or non-alcoholic drink**, tasty particularly are the Maki and specialties like **Inside-Out** that this place is known for.
