We love this little place! Your food is delicious, by far the best onion rings of all time!! My favorite is the soft crab sandwich, but the wings are good as well as the under and burgers!! This is definitely a great place to eat a drink and a bite!! [read more](#). In beautiful weather you can even eat in the outdoor area, and there is free WLAN. If you're desiring some spicy South American gastronomy, you're in the right place: exquisite menus, made with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, and you can try fine American menus like Burger or Barbecue. Also, they proffer you *tasty seafood dishes*, Generally, the dishes are prepared **in a short time and fresh** for you.
