What [User](#) likes about Lung Fung:

It is not about nutrition, longevity, good health or optimization of the healing canal. We eat for delicious taste, for pleasure and for social unity. Food is an esteemed tradition and a cultural landmark that separates the well-known, safe and memory of the strange unknown dangers from impulse and adventure. And so I ventured into the wood-covered secret of Lung Fung to eat some chicken egg foo yung. It's hard to go... [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical disabilities. What [Frank Spencer](#)

doesn't like about Lung Fung:

I used to come here two or three times a week cause it's close and fast with decent menu, plus video lottery.. the quality last week was like a fake news broadcast, I'm not going for anything until I get a chance to try it I don't even want to find out what's next, way diminished food taste and poor quality guys, this is a let down I mean I eat food from there every week! ? !
