What [User](#) likes about Applebee's: The atmosphere was nice, wasn't too busy, our host Anna sat us right away and was very sweet and took good care of us, the food was great it came out nice and hot and tasted amazing. [read more](#). What [George Kiehn](#) doesn't like about Applebee's:

It's not a bad place but I don't like the menu choices because I have stomach problems and not a healthy selection. Only choice for potatoes is mashed with the skins in them and French fries which I can't have peelings in my potatoes. Too many pasta dishes and no veggie selections. Only broccoli which is another thing that is hard to digest. For those that have no diet restrictions you get plenty to eat. Not my choi... [read more](#). Applebee's from Plant City is popular for its mouth-watering burgers, to which [crunchy fries](#), [salads](#) and [other sides](#) are served, and you can indulge in tasty American dishes like Burger or Barbecue. Here they also grill South American fresh seafood, meat, as well as beans and rice.
