What [User](#) likes about Santiago Family: phenomenal experience when looking for this special Caribbean food from the islands of puerto rico, then this is a place to try for them. trust me that they will not be disappointed, it is worth visiting. I'm really glad I live from here on the road and fill myself up with the empanadas and the stuffed kartoffel balls each time. but what I really like to get is the yellow rice with buzz and also a side of the buzz. I... [read more](#). You can use the WLAN of the restaurant free of charge, And into the accessible rooms also come guests with wheelchairs or physical limitations. If you are tempted by some Latin American cuisine, the Pupusas or even a hearty chili in the Santiago Family are certainly a must, They also present tasty *South American* dishes to you on the menu. The **sweet and hot Spanish meals** are definitely recommendable in the kitchen of the restaurant, and you can look forward to the tasty classic seafood cuisine.
