**The Card** of Golden Dragon Cafe from **Stillwater** includes about 18 different meals and drinks. On average, you pay for a dish / drink about \$4.8. What **Michael Freer** likes about Golden Dragon Cafe: I have eaten both carryout and dine-in here, the servings are MASSIVE so come ready to eat a lot, they fill the carryout boxes to the brim. The service was quite excellent and the food is very good in my experience. I have had fried rice, lo mein, green beans with chicken and steamed rice, etc. I have not had bad food or service here yet and believe the prices are fair for the sheer amount of food you get. **read more**.
