I got my 15-yo grand out for dinner. he had the chicken pancakes while I decided to eat chicken wafers. Eat tasted good, and we were both filled for \$10 per. the waitress was great. very sweet, friendly and attentive. [read more](#). As a customer, you can use the WiFi of the restaurant at no extra cost. What [User](#) doesn't like about Ihop:

Waiter was fantastic but, the food was horrible!! My husband who is on the Keto diet, ordered an omelette with cheese, sausage bacon. He was disappointed when he discovered the eggs are made with pancake batter.

Apparently, he didn't read the fine print. The sausage options are only pork links, no patties. It was extremely warm inside also if they have AC, it wasn't on. Won't be returning to this IHop. [read more](#). At Ihop in Temple, you get a **diverse brunch** for breakfast and you can eat as much as you want feast, delicious [vegetarian](#) dishes are also in the menu available. You can also find many international menus in the kitchen of the Ihop, Naturally, you should also taste the **scrumptious burgers**, accompanied by sides like fries, salads, or wedges served.
