We had a nice evening out here. Servers and hosts were friendly and attentive. I had a well-made mojito and my wife ordered a blue margarita, both very tasty. Our food has been presented and mostly cooked. The chefs definitely knew what they did. Overall, it was a lot of fun and we plan to come back in the near future. This jewel of a restaurant is worth visiting. [read more](#). At Tequilana [Mexican](#) from Mauldin it's possible to **savor delicious vegetarian menus**, that were made without any animal meat or fish, Particularly with the bite-sized **Tapas**, you can't absolutely nothing wrong, because there is something for every palate. Surely, it's also a nice event to feel like in the *Wild West* once, to drink and eat like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice tasty burger, Many customers are especially looking forward to the diverse, delectable Mexican cuisine.
