Great tasting salsa, thin crispy chips, fast and friendly service. I got the Fajitas and thought they had a good job. The chicken was a little hard, but the taste was good. I liked the fried beans, they were a little on the runny side as I like them. Great place for a quick lunch. [read more](#). What *Raymond Robinson* doesn't like about El

Ranchero:

Tonight was not the best. I know the food could have been better the rice needed season and the meat too. Service was slow but they were very friendly and polite. [read more](#). Look forward to the **diverse, fine Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers).
