Wow. We played the packers 49ers yesterday. Super packed. Our waitress was Diane. She was amazing. This lady covered the whole bar and tables. I've never written anything down and put it all down. The food was delicious. Service was amazing. Only down case is they have 1 bathroom shock. Always a line for the bathroom. [read more](#). When the weather conditions is nice you can also be served outside. What [renegadegeek](#) doesn't like about Sportsman's Grill:

Extremely rude girl answering the phone last night. We called to ask if the kitchen was still open only to be spoken down to and hung up on. There was no reason to speak to us that way when we were from out of town asking a simple, harmless question. Train your staff to speak nicely to others and not take out their own problems on customers. Very disappointing. [read more](#). If you're craving for some tasty South American culinary arts, this is the place to be: delightful dishes, roasted with fish, seafood delicacies, and meat, but also **corn, beans, and potatoes** are on the menu, You can also unwind at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. Even if you're only a bit hungry, you can still treat yourself to one of the delicious **sandwiches**, a healthy salad or another snack, The barbecued food is freshly *grilled* here on an open flame.
