What [User](#) likes about Marv's Bakery:

Love this bakery! Best bread, donuts, cakes, cakes, delicious! And always there to help in a bond! You never said no to me, and always about everything. Thanks Marvs! [read more](#). You can use the WLAN of the place free of charge. What [Justin Lee](#) doesn't like about Marv's Bakery:

3 stars for the donuts being above average but still below my standard of the South Lyon bakery. 2 stars off for saying free coffee with purchase, that's only if there's coffee left usually it's out and from the few times I've been there they're not great about keeping it full. Go figure it's free??. If you're hungry for some *tasty South American culinary arts*, this is the place to be: exquisite meals, roasted with fish, seafood delicacies, and meat, but also **corn, beans, and potatoes** are on the menu, and you can try tasty American menus like Burger or Barbecue. Not to be overlooked is also the extensive selection of **coffee and tea specialties** in this locale, Inthemorning a delicious brunch is offered here.
