The salad bar was not sanitary. The salad dressing that was labeled as blue cheese was definitely not. It wasn't just labeled wrong, its flavor was undefinable. The pizza was overpriced, but okay. The best part of the pizza was the mozzarella and the chicken, both of which were high quality. The service was friendly, but slow. I would not return. [read more](#). At The [Pizza](#) Factory in Provo, **delicious pizza** is baked **oven-fresh** using a time-honored method.
