It was small Mexican restaurant on my way to Phoenix. The food was great. I found the food is authentic Mexican dishes. If you drive on Route 66, I would recommend this place with a hell. There are many parking spaces. And there is also a souvenir shop inside. So don't hesitate, the restaurant is on the other side. You will find good food with good price. [read more](#). Anticipate the varied, scrumptious Mexican cuisine, which is usually prepared with corn, beans and chilies (hot peppers), The atmosphere also makes the eating of typical **Western dishes and drinks** an beautiful experience. Most often, the *burgers of this place*, which are among the highlights, are offered along with filling side dishes like french fries, leaf and cabbage salads or wedges, Particularly with the bite-sized Tapas, you can't absolutely nothing wrong, because there is something for all tastes.
