anna and vicki are great! in the rule they go here for something to eat and "only 1 drink" with a few friends. the line dances on Thursday night. I learned I can't dance. That was pretty cool. on Thursday, amazing. tuna melts on Friday with chowda on the side. always a good time! [read more](#). In beautiful weather you can even eat in the outdoor area, and there is complimentary WLAN. What [User](#) doesn't like about Eddie's Sports: prime rib nite. eating was okish. meat was a bit fatter than what I was used for the main rib and it was very rare. still cold in the middle. salat was only icebergsalat and very few toppings. tomato and purple tweepers, black olives and crumbs. choice of ranch or blue cheese dressing. mais was cold. baked cartomas flat where well cooked. the atmosphere was great. no children allowed because it is a bar.
