[Seafood](#) Chicken:

We have eaten here many times and me and my wife share. However today at lunch we ordered, told server we were sharing. After we were served we were advised that we would be charged for two meals. We have always shared the fish in the past with no problem but now seems like they have changed procedure and raised prices.

Think we should have been told by server they no longer allowed sharing....very disappointed in way... [read more](#). If you're desiring some **spicy South American gastronomy**, you're in the right place: tasty menus, made with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, and you can look forward to the delicious typical seafood cuisine. In addition, there are scrumptious American meals, such as *burgers and grilled meat*, delectable vegetarian recipes are also in the menu available.
