Stopped in here for a few beers and really enjoyed the entire visit. John was behind the bar and was funny, informative, and quick to serve us. He made great recommendations for drinks. Derrick was a great bartender also and most definitely didn't go wrong with his suggestion of the Rueben. It was delicious and big. The locals at the bar were friendly and welcoming. Great, clean place with lots of character. [read more](#). As a customer, you can use the WiFi of the establishment at no extra cost, Depending on the weather, you can also sit outside and have something. What [Charlie D](#) doesn't like about Ann O'malleys:

Food was OK, nice little Irish pub in St Augustine off of St George Street. The guy that was waiting on us was also the bartender, so, he was struggling to keep up. I'm sure it's a great place to sit and have a few pints with friends, but, when you have the Columbia restaurant in mind, it's kinda hard for this place to fill in for them. [read more](#).
