What User doesn't like about

Pepe's Mexican:

Three stars for the hand made tortillas. Food was good but service was horrible. Staff walked past us numerous times, had to ask for a table upon still having to find one ourselves. We also had to ask for menus and to place our order. The staff was extremely rude and unhelpful considering we were a party of 7. Also seen the staff dismiss to next table of only 2. In desperate need of PROPER STAFF!! read more.
