The woman bought me another year membership at the Straight River Golf Course and I couldn't be happier. Love the family that owns it and the way they try to make it a great place to golf and still make it a challenge golfing. I had an explosion this year and now that I retired, look forward to it when it opens this spring!!!! Can't wait to see you Joe! [read more](#). In nice weather you can even be served in the outdoor area, and there is free

WiFi. What [colten schewe](#) doesn't like about Straight River Golf Course:

Course was in very rough shape. Greens were scorched and bare in so many spots. Signage to navigate the course non existent, tee boxes are comparable to hitting out of the rough on most courses? 40 dollars to play the back 9? 10 dollar charge just for my girlfriend to ride in the cart.. was not impressed in the least bit. Save your money and just go play legacy if you're in town. [read more](#).
