This location is my go to El Paso. It has always been a safe haven for no surprise meals. This last visit was a bit disappointing. The music was blasting and the chimichanga was like a kids meal size. (especially compared to my other reviews, gringos and blue tomato). Food still good and will continue to patron this location. The restaurant offers free WLAN for its visitors. During a meal, a good drink is essential. In this gastropub, you not only get delicious menus from the menu but also a comprehensive and particularly good assortment of **good beers and other alcoholic beverages** that go well with the food, with their **spicy savory sauces and spices**, the Spanish meals are a favorite among the guests. You can still relax at the bar after the meal (or during it) and enjoy a *alcoholic or non-alcoholic drink*, Particularly, many customers are looking forward to the diverse, fine Mexican cuisine.
