good food. service is great. I have only 1 unobstructed and this is the smell of the restaurant as they come. I think the mop with which they were clean was very dirty and u could say that the smell of cleaning the floor was with a dirty mop. [read more](#). What **User** doesn't like about Villa Del Mar:

No bueno I went there today and will not recommend or come here anymore. Food is not worth the price. Too expensive for frozen shrimp and slimy lettuce. Customer service was poor. I don't mind paying what I paid there but At Red Lobster. I asked for bread, a freaking bread, and it never got to table till I went to counter and asked for it again, food got cold, I got charged for the bread ha. No tip for sure. [read more](#). Look forward to the diverse, fine **Mexican** cuisine, traditionally prepared with corn, beans and chilies (hot peppers), and you may look forward to the delicious traditional **seafood** cuisine. You can also relax at the bar after the meal (or during it) and enjoy a *alcoholic or non-alcoholic drink*.
