Food is always good, waiters and/or waitresses really good with getting your chips, drinks, and order promptly.

The only thing I wasn't aware until I took a Mexican friend there is that there is a cactus appetizer which is complimentary to also eat with your chips, but I guess you have to ask for it; but I'm also white and it's never been offered. Anyway good location and great food. [read more](#). When the weather is nice you can also have something outside. What [Paul Buschke](#) doesn't like about Parrilla's Cantina Mexican Kitchen:

Food was good, when I got the bill, was charged for imported beer when I was drinking domestic. So I pointed this out to the waiter and he said they didn't have a button for Yuengling so they charged import price. He didn't want to deal with it so he walked away. Money wasn't the issue how he handled it was. [read more](#). During meals, a refreshing drink is essential. In this *gastropub*, you will find not only tasty meals, but also a large and comprehensive diversity of good beers and other alcoholic drinks that compliment the food, Many guests are particularly looking forward to the **diverse, fine Mexican cuisine**. If you decide to come for breakfast, a **versatile brunch** is ready for you, It's possible to chill out at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
