What User likes about Rankin Vault Cocktail Lounge: 10/10 employees. tap their server and bartender good people! cocktails were great and eating was also good. I had the vault burger and it was great! a little too dry for me that I wish I ordered it medium-sized rare, but with restaurantburgers in my experience medium rare is sometimes almost too rare. it was delicious, not a big fan of arugula, but they did something where the sweet crowd of arugula was so good! I don't understand how they did it, but I liked it this time. I also had a side of mac cheese, which was good, a small gland for me, but not bad at any wise. 5 stars because eating was good, the cocktails were good, and the staff was great and I guess the restaurant works very well. If you want to try delightful *American dishes like burgers or barbecue*, Rankin Vault Cocktail Lounge from Asheville is the place to be, Furthermore, the drinks menu in this restaurant is impressive and offers a good and comprehensive selection of beers from the area and from worldwide, which are definitely worth a try. After the meal (or during it), you can still relax at the bar with a alcoholic or non-alcoholic drink, Besides the fine **sandwiches**, healthy salads and other snacks also make a good snack.
