You can't beat everything you can eat. high quality and the personal is always beautiful. my man has a good allergy and they do a great task to keep his eating apart and he never had a problem. [read more](#). What [User](#) doesn't like about Tokyo [Sushi](#): Rolls were decent but by the time we had finished our first order there was a cockroach crawling towards us and all over the soy sauce bottle. We called the server over and he took the bottle with the roach on it away but didn't really say anything to us. We had to call him back over for our check. They did discount one of the all you can eat to the kids price but still said nothing about a roach crawling on the tabl... [read more](#).
