This is the second visit to the terrace buffet and both were pleasant meals. The choices are near endless as a buffet can offer. Means that although I was only there twice, it seems there are enough changes that felt like a different buffet. The atmosphere was quiet and attractive, making it a very pleasant atmosphere. The staff was fast and accommodating. We'll be back. [read more](#). You can use the WLAN of the restaurant free of charge. If you're craving for some tasty South American culinary arts, this is the place to be: tasty menus, cooked with **fish, seafood delicacies, and meat**, but also *corn, beans, and potatoes* are in the menu, Don't miss the chance to enjoy the crispy and crunchy pizza, prepared fresh in an original way. There are also tasty American dishes, for example, burgers and grilled meat, and healthy Japanese dishes are being made with lots of freshly harvested vegetables, fish and meat.
