It's good food, it's a nice little hole in the wall and it's obvious her regular customers love her and go there often. Don't expect a warm and friendly person, she's not rude but she's certainly not welcoming, you will get great food fast and be on your way. BOTH red and green chili are amazing. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities. What [User](#) doesn't like about Cecilia's Cafe:

The food was great. The person who took our order was great. We asked for chips and salsa and was told they didn't have any salsa only green chili, like they use on enchiladas. Some other customers that came in after us asked for chips and salsa and to our surprise, they were served chips and salsa. Disappointing because we really liked the place. It was our first time there. [read more](#).
