We had dinner last night for my lady's birthday. I stopped by earlier with roses and asked them to be placed on our table. (Forgetting that I should have brought a vase) Kelsey, our server, not only arranged them but had a vase to place them in. Needless to say the food was incredible, filet mignon finished to perfect heat, and the service was beyond reproach. Always a treat to have dinner there. [read more](#). The place also offers the possibility to sit outside and eat and drink in nice weather, And into the accessible spaces also come clientele with wheelchairs or physical disabilities. What [Steve Georghakis](#) doesn't like about Barney's Restaurant:

We were so hoping that Barney's could get back to the Barney's of old ... which was a first class experience all the way around. Unfortunately, despite good service, the food was inconsistent. If you're hungry some hot South American gastronomy, you're in the right place: tasty meals, roasted with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu, In addition, the latest games or races can be watched on the big screen in this sports bar, which the visitors also love. You have the option to, after the meal (or during it), still relax at the bar with an *alcoholic or non-alcoholic drink*, for breakfast they serve a **extensive breakfast** here.
