Excellent food! Our server was Amazing and had the best personality. The food was wonderful! My only negative is that when I went up to use the toilet room, there was a STRONG Uringeruch in the hallway. Remembered Skid Row. Also come an hour earlier than your reservation because parking is NUTS!!! Besides these two things it felt amazing and the ambience was top notch. [read more](#). In beautiful weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Parkers' Lighthouse:

Beautiful view, great service, they work great as a team. The \$62.00 Ribeye had great taste, but was hard and crisp and terrible to eat. The seafood Cobb were good, but the shrimps were gummy and gigantic. The Oysters on the half shell were brilliant, thin and fresh. The cheeky garlic bread was a bit flat in taste. NOT WORTH \$152.00 top. [read more](#).
