10 deaf people came to eat, 8pm the lights were dimmed low enough to not see any other sign language or read all 2.5 feet away, management said the firm policy is not to adjust the lighting though the lights themselves are dimmed 8pm. all feel discriminated by obstructing access through darkness that inhibits visual communication.

the food was great, the drinks were great, the waitress was very supportive. the waitress has completely understood the situation. Get excited about the **diverse, scrumptious Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), here they serve a *diverse brunch* for breakfast.
