Wow! What a first-class experience last night. We eat before the Michael Buble's concert. The food was fantastic and our server was AMAZING. I missed the introduction so I don't have his name. But this guy goes beyond and beyond and he's also very funny. We had a wonderful time. Thanks for being a great addition to our celebration. [read more](#). What [User](#) doesn't like about The Delaware Pub Grill:

Overpriced. I had the grain shell and it was not as described in the menu. Waitress never came back to ask how it was or why I barely ate it. My friend liked her French onion soup. Think the prices are very high for what you get. Won? [read more](#). If you're hungry some spicy South American gastronomy, you're in the right place: tasty dishes, roasted with fish, sea creatures, and meat, but also *corn, beans, and potatoes* are on the menu, Furthermore, the drinks list in this restaurant is impressive and offers a good and comprehensive selection of beers from the area and from worldwide, which are definitely worth a try. Furthermore, you can order fresh **prepared barbecue**, At the bar, you can unwind with a **cool beer** or other alcoholic and non-alcoholic drinks.
