What [User](#) likes about Taco Bell:

Food was excellent as always. Just wish order takers did not rush you. I hate when they say, is that all after every item. Managers really need to train their workers better, at least in customer service. [read more](#). The restaurant also offers the possibility to sit outside and have something in pleasant weather, And into the accessible rooms also come customers with wheelchairs or physiological disabilities. WiFi is available without additional charges. What [User](#) doesn't like about Taco Bell:

They forgot my whole food and gave the completely wrong order, the only thing she got right was my drink! but they hardly have the right reason because they forget my straw and put ice in it? [read more](#). Look forward to the [diverse, fine Mexican cuisine](#), traditionally prepared with corn, beans and chilies (hot peppers), There are also scrumptious South American dishes on the menu. Most **courses are prepared in a short time for you** and served, Forbreakfast a delicious brunch is offered here.
