Service was quick and very friendly. Portions are huge. Beans did taste like they are from a can. Price was decent, and I really didn't mind. The flavor was still good with cilantro, lime, and hot sauce. Would love to go back and try other menu options. The burrito bowl sounded amazing. [read more](#). What [Moe PDX](#) doesn't like about Taco Shack:

I've heard nothing but good things about this place. Unfortunately when I went, they were closed. I checked hours on Google maps and their sign, both said it was open, but nobody was working. Hopefully I will get a chance to eat there soon and I can update this and find out if everyone was correct about how good the tacos are. This is the only reason why I'm giving 3 stars.
