(6/10/2023) One of friends wanted to try here, and it was pretty good in opinion. Great places to have chatting with friends, and service was nice and fast compared to others. Ordered couples item on the menu, and I liked Maui Burger and Salad because of not heavy (Maui Burger) and fresh (Salad). Also, Sweet Potato fries was decent as well according by my friends. Overall, probably came back with my friends to try other sandwiches or burger when around the area, and I recommend Maui Burger because Grilled Pineapple is a good match in a burger. If you're in a hurry and need something quick, you can get tasty Fast-Food dishes to your taste from Hook Burger Bistro in Pasadena, prepared for you in few minutes, and you can indulge in tasty American menus like **Burger or Barbecue**.
