Very nice place. The bartender was very nice and would make drinks you have never tried before. The climate was fancy. Looked like an upper class restaurant with inexpensive drinks. The portion size of the meals was small for the price you are paying for. [read more](#). What User doesn't like about Manda Le Grill:

This is my first time here with my friends and our food was burnt and overcooked. The rice were old and mushy and noodles were super stale, the eggrolls is burnt couldn't even eat it as you can see. Mind you I'm not picky and I love food but I didn't even finish half of my food. The alcoholic drink were good! Definitely need big improvement on the food. [read more](#).
