What [User](#) likes about Inman's Kitchen -b-q: Great food, superb service and good friends !!!! We have been customers for over eight years and have never ever had one complaint!!! It?s great to have a home town restaurant that is so delicious!!!!!!! Thank you Inmans Kitchen?????? [read more](#). What [User](#) doesn't like about Inman's Kitchen -b-q:

Waited over 20 minutes for 2 chopped bbq sandwiches and I had already received my cold 3lbs of turkey sausage but no sauce for it. When I asked for the sauce they gave me a container of sauce for 3lbs of sausage the same size that received with my sandwiches. I had asked about that when purchasing the food and was assured I didn?t need to buy extra. What a rip off?. [read more](#). If you're desiring some hot South American gastronomy, you're in the right place: tasty menus, roasted with **fish, sea creatures, and meat**, but also corn, beans, and potatoes are in the menu, For a snack, you can also have the delicious **sandwiches**, healthy salads and other snacks. In addition, you can order fresh roasted barbecue, and you can try delicious American dishes like Burger or Barbecue.
