What [User](#) likes about Moonie's Burger House: Came with a co-worker after a long day of hard work. The Mushroom and swiss burger with sweet potatoe fries were exactly what I needed! The flavor of everything tasted great! Sweet tea wasn't too sweet or not sweet enough, just right! Will def be back and would recommend this place to any and everyone. [read more](#). What [User](#) doesn't like about Moonie's Burger House: I'm not sure what happened at this location but it went down hill. Sweet potato fries were burned. Ketchup packets were dirty. Place had no a/c and just looked old and dirty. [read more](#). If you're desiring some **spicy South American gastronomy**, you're in the right place: delightful meals, prepared with fish, sea creatures, and meat, but also *corn, beans, and potatoes* are on the menu, For a snack, the yummy sandwiches, small salads and other snacks are suitable. Most often, the burgers of this restaurant, which are among the highlights, are offered along with sides like french fries, salads or wedges, The atmosphere also makes the consumption of typical Western dishes and drinks an unforgettable experience.
