What [User](#) likes about China House:

Delicious food! I drive over from Mt Airy because the only 2 Chinese places there have buffets. I don't want food taken from the buffet for my carry out order. I want food made fresh when I order it. That's why I love Golden China. Also, the hot sour soup is great for what ails you. Enjoy! [read more](#). The rooms on site are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, and there is complimentary WiFi.

What [User](#) doesn't like about China House:

We live over the border in Virginia and this is the only Chinese restaurant we will eat from! Everything is amazing! We love their crab rangoons! Best Chinese food around, worth the drive. Very nice family owned restaurant. Covid-19 compliant, to go only, you don't even go inside, they have a box at the window. [read more](#). In China House from Dobson, expect *versatile, delicious Chinese cuisine* that's authentically cooked in a wok, and you can look forward to the scrumptious traditional seafood cuisine.
