I don't come here often, because it is too far. However when I do I stop by it's for their fish sandwich. You just have to make sure it's fresh and on Hawaiian bread. My daughter had the crispy chicken sandwich. They have a nice special. Also make sure they give you fresh curly fries if you get the meal. The workers are always nice. The atmosphere is not that great and their A/C could use a little tune up. [read more](#). What [Jacoby F](#) doesn't like about

Arby's:

If you don't mind crackheads hanging all around the Arby's, your order being wrong, and just a bad vibe in general. Then this is the Arby's for you. Also, might I add that they don't support military members/first responders! And the cleanliness was lacking for sure. Ownership/management please look into these issues at your earliest convenience.
