Pleasant waitress... very good at her job, she was quick and accurate. Nice to get complimentary cups and the salsa was delicious. We ordered the house steak burrito and steak fajitas. Our meals were large with beans and rice... but there wasn't much seasoning/ spices as were used to. We had a great time in the busy atmosphere. [read more](#). You can use the WiFi of the establishment at no extra cost. What [Adam Riggs](#) doesn't like about Don

Valerio's:

We went there cause we love Mexican Food and mind you we did stop there around 3 pm ish so there were very people in there. The food was fast and mine tasted great, the meat was tenderized very well, but my wife was wondering why her quesadilla just had ground beef in it and no cheese, but we didn't think any more of it, but that night she had the worst food poisoning she has ever had. The ground beef must have been kept... [read more](#). Look forward to the **diverse, scrumptious Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), the menu also includes tasty vegetarian menus. In addition, you can order fresh **prepared barbecue**, Especially with the bite-sized, Tapas you can't do anything wrong, because there is something for all tastes.
