What [User](#) doesn't like about Pg Steakhouse:

Just yesterday. Meal was sub par. Eating was Blande. Steak was good, but could have been a little more seasoned. Fries were soggy. This place is not child-friendly. The staff has the personality of an ice cream. They offered nothing for my grandson. The interior looks like it? The bathroom is tiny and needs some important updates. I'd visit again. If you're desiring some **spicy South American cuisine**, you've come to the right place: exquisite meals, prepared with *fish, seafood, and meat*, though corn, beans, and potatoes are also on the menu, and you have the opportunity to try delicious American dishes like Burger or Barbecue. At the bar, you can still relax after the meal (or during it) with an alcoholic or non-alcoholic drink, for breakfast they serve a varied breakfast here.
