Nice night for a terrace dinner. As usual, JP was on the point. You get a sign of being pretty slow with everything, but the servers were very tight and the food was great. Nice job Jose! **[read more](#)**. What **User** doesn't like about Jose Pepper's **[Mexican](#)**:

The food was good the staff was friendly my only problem was all the time when I was eating, there was a woman on the opposite side of the restaurant who continued to cough, people were so unpleasant to leave her, the woman finally left and we could continue to experience food, the food and drinks were really good, I had a burrito that was super filled, paired with a strawberry margarita... I will definitely return I... **[read more](#)**. Anticipate the **varied, tasty [Mexican](#) cuisine**, which is usually prepared with corn, beans and chilies (hot peppers), The guests of the restaurant also appreciate the large selection of differing coffee and tea specialities that the establishment has to offer.
