Probably find my favorite restaurant on State Street and a big summer. The ingredients are always fresh, the portion sizes are generous, and the people who work here are always wonderful. Even if there is a line, it is always fast to wait. Personal much healthier and more fun option than Chipotle. Although not cheap, it could be much more expensive on the scale of POKE. I love this place. Very recommended! [read more](#). You can use the WiFi of the establishment at no extra cost, And into the accessible rooms also come guests with wheelchairs or physiological limitations. If the weather conditions are right, you can also eat and drink outside. What [User](#) doesn't like about Poke Plus Madison:

Small portion and overpriced! I ordered signature poke and the quality is noting comparable to other poke restaurants in town. The rice is definitely not [sushi](#) grade !! I won't recommend this place based on price and food quality. [read more](#). With a lot of freshly harvested vegetables, fish and meat, the Poke Plus Madison from Madison prepares **easy-to-digest, flavorful Japanese meals**, Besides, the inventive blend of different menus with new and partially adventurous ingredients is appreciated by the guests - a beautiful case of Asian Fusion. But the undisputed highlight of this establishment is the delightful [Sushi](#) such as Maki and Sashimi, for breakfast they serve a **tasty breakfast** here.
