What [User](#) likes about Taco Bueno:

This must be the best Bueno in Tulsa! Before these people who did not take over too long ago have changed my opinion about your company! In summer I ended Bueno for bad food, service and cleanliness!!? And that was for 3 of your local locations! I had to try this place for granddaughter again, and I'm Bueno Head now! Thank you.

[read more](#). You can use the WiFi of the establishment free of charge, And into the accessible rooms also come clientele with wheelchairs or physical disabilities. What [User](#) doesn't like about Taco Bueno:

The only reason this place will be this high rating because the food was good. I and the only other table inside waited up from 30 minutes to our orders, several people came out of the drive-thru saying that they lacked items from their order, and both orders inside had wrong items or something missing. Also in the kitchen the employees were constantly shouting. Customer service as a whole was really bad. [read more](#). Get excited about the diverse, delicious [Mexican](#) cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers), In addition, the drinks menu that is offered in this established eatery is impressive. It offers a wide assortment of beers from the region and the whole world. You have the option to, after the meal (or during it), also relax at the bar with an **alcoholic or non-alcoholic drink**, The dishes are usually prepared *in a short time and fresh* for you.
