I visit CA for a business trip, but I came to this place twice. The environment is friendly and cool, make a good start of the day. Food is impressive and healthy. Good place to enjoy with family and friends. [read more](#). What [User](#) doesn't like about Country Gourmet:

Bad service. We had to ask 4 times for a high chair for our toddler, which took 20 minutes. After 40 minutes wait until food arrived, we had to go inside to ask for the waiting period. The restaurant wasn't very busy. The same story when you request a training box. I wanted to get it myself. The food is nice, but I would not recommend this restaurant if you have toddlers and need a fast and family-friendly service. [read more](#).
