An elegant and modern Japanese restaurant, with Miami influences to offer a beautiful selection of dishes and drinks. While there are no bar or outdoor seats, there are large indoor table service. **Sushi** is good price, and even the fancier reels do not break the bank, so I treated myself with a samurai roll and a beer. Pretty solid connection! [read more](#). When the weather is nice you can also eat outside, and there is no-charge WiFi. The rooms on site are accessible, and therefore no problem for visitors with wheelchairs or physiological limitations.

What **User** doesn't like about Ohana Sushi:

First time ordering from this place with Door dash which made a fast delivery. The food, what a disappointment. It didn't look appealing, tiny portion size. Definitely not worth the \$19 each I paid for every roll. Taste wise was acceptable. What a rip-off, never ordering from here again. Do not recommend! [read more](#). The catering service is also provided by the restaurant for its guests, You can also unwind at the bar with a *cool beer* or other alcoholic and non-alcoholic drinks. If you'd like something after-dinner treat to finish off, Ohana **Sushi** does not disappoint with its large selection of desserts, Besides, the **light and healthy meals** on the menu are among the favorite dishes of the visitors.
